

End-of-semester Feedback Form

This questionnaire is to be completed anonymously, for the purpose of improving this course and future editions of our textbook. Feel free to continue onto the back of this sheet as necessary.

1. Structure and content of the class

(a) What do you like about the way this course is taught?
(b) What do you dislike about the way this course is taught?
(c) What changes would you suggest for this course's lecture slides?
(d) What changes would you suggest for this professor's teaching style?
(e) What changes would you suggest for course's assignments or tests?
(f) What other changes might you suggest for this class?

2. If you used the (optional) textbook...

(a) What do you like about our textbook?
(b) What do you dislike about the textbook?
(c) What changes would you suggest for the next edition?
