

EXERCISE 2: ANSWER KEY FOR CHARTS

AGEC 340 – SPRING 2010

(Note labeling of all data, and formatting of lines for black & white printers. The third country chosen in this example is India; these 2 pages should be stapled to the assignment itself.)

1) The Demographic Transition: Births and Deaths in Three Countries, 1950-2050

2) The Structural Transformation: Total, Urban and Rural Population in Three Countries, 1961-2050
