

FAQ 7

What Are the Average Input Costs for Corn, Soybeans, Wheat, Hay, and Livestock Enterprises?

Prepared by: Kimberly J. Moore, ANR Extension Educator, Johnson County

Reviewed by: Mike Ferree

Two of the best resources for crop and livestock enterprise budgets are Purdue Extension publication ID-166 and the Indiana Agricultural Statistics Service annual summary bulletin. Other farm enterprise budgets can be obtained from Ohio State University and other Extension Services with the enterprise of interest.
