MANRRS (Minorities in Agriculture Natural Resources and Related Sciences)

Myron D. McClure, MANRRS Co-Advisor, AGAD 121

49-48471; mdmccclure@purdue.edu; <http://www.agriculture.purdue.edu/manrrs>

MANRRS (Minorities in Agriculture, Natural Resources and Related Sciences) – dedicated to the “...inclusion, achievement, and advancement of all people in the agricultural sciences” <http://www.agriculture.purdue.edu/manrrs> An organization open to anyone (*including students from any discipline*) with a vital interest in promoting diversity in agriculture, natural resources and related sciences, MANRRS-Purdue, pledges “to work for the inclusion, achievement, and advancement of all people in the agricultural sciences.” Will host a 3-hour study table each week using graduate students as tutors for chemistry, calculus, and English. Study tables are open to all students in the College of Agriculture, and snacks will be provided.

Math

Any student may see any TA (teaching assistant) who teaches a section of the course for which the student seeks help. Teaching assignments for TAs are posted on the bulletin board outside MATH 909. A list of all TAs, their office locations, and their office hours is available in MATH 835. The math help room is MATH 205; open hours are posted outside MA 909. Tutors are also listed on SSINFO

Physics

Check in PHYS Room 144 for information about help in physics, or go to <http://www.physics.purdue.edu/resources/student.shtml>. Information available includes: TA office hours; course handouts; experiments; homework assignments; lab sheets; test times and locations: tutor lists (also available at <http://www.physics.purdue.edu/resources/tutors.shtml>). The Physics Help Room is in PHYS 139 (specifically for PHYS 149, 172, 218, 219, 220, 221, 241, and 272, Hours are posted on the door.

College of Science

<http://www.science.purdue.edu/doc/handbook/academichelp.asp>

Statistics

Usually there are help sessions for students enrolled in STAT 301. Check with your instructor. In addition, a list of tutors is posted outside MATH 533 and on the statistics website: http://risk.stat.purdue.edu/resources/tutor_list.php or check [SSINFO](#)

Supplemental Instruction (SI)

<http://www.purdue.edu/asc/si/>

Students may attend weekly study sessions matched with specific introductory courses on campus. These sessions are peer-taught by students who did well in the subject area. Check website for complete weekly schedule.

College of Technology tutoring services:

College of Technology students can receive free tutoring services in College of Technology courses. See Regena Scott, the College of Technology Tutoring Coordinator.
