About the Workshop

Developing and selling specialty ingredients and foods is one alternative for homemakers and farmers to add value to Indiana commodities. This workshop was developed to serve as a comprehensive overview of the issues associated with starting a specialty food business in Indiana.

The overall purpose of this workshop is to provide knowledge, contacts, and resources about starting a new food business in Indiana through formal lectures and question and answer sessions with speakers and entrepreneurs, as well as written materials with information and resources.

Who Should Attend

This workshop was developed for people interested in developing a specialty food or food ingredient business. Participants may be small farmers interested in vertically integrating, homemakers, and current/former entrepreneurs who need a comprehensive overview of the topics to be covered when starting a new food business in Indiana.

For interested individuals, participation in this workshop will allow an easier start-up at Ohio River Valley Food Venture, the shared-use commercial kitchen facility at the Small Business Development Center in Madison, Indiana.
